Now that you know all about handwashing with soap, become a Handwashing Teacher at home!

Help your little sisters and brothers to wash hands with soap before they eat.
Help your little sisters and brothers to learn the five steps of handwashing.
Create the magic of clean hands for them and have fun while singing the handwashing song or reciting the rhyme.

Pledge

I, ___________________________ promise that I will not go for open defecation. I will use a toilet and always wash my hands with soap after defecation and before eating. Open defecation should be stopped and I will do everything to stop this in my school, home and village.

I will motivate my parents to construct toilets. I will help my brothers, sisters and friends to always use toilets. I will persuade my friends and family members to wash their hands with soap after defecation and before eating.

To be clean and strong is my goal and I pledge to achieve this goal.
